Hendricks County Community Foundation Awards over \$90,000 in Grants

Hendricks County – One of the most valuable ways the Hendricks County Community Foundation impacts Hendricks County is through our ability to respond to the ever changing needs in our community. The Opportunity Fund is an unrestricted endowed fund that allows the Community Foundation to make grants to meet current community needs.

Each year, the Opportunity Fund Grant Cycle invites local nonprofit organizations and programs to apply for a grant. This year, the Community Foundation received the largest number of grant applications ever; seventy-eight local organizations and programs requested over \$750,000 in grants.

“It is a significant task to review the grant proposals; however, it is encouraging to see the wonderful programs and organizations that exist in Hendricks County,” shares grant committee member Trudy Tharp. “Our desire is to impact Hendricks County and its residents in the best way we can. Unfortunately, we can not fund every worthy project in our county every year. As our Community Foundation continues to grow, we will continue to grant to more projects in Hendricks County.”

The Community Foundation granted \$69,620 to local organizations through the Opportunity Fund and the Lincoln Bank Unrestricted Fund. In addition, several other funds held at the Community Foundation chose to fund proposals from the Opportunity Fund grant cycle; providing \$22,318.50 in additional grants. Below you will find the funds which granted to organizations and programs through the Opportunity Fund grant cycle.
