

Where Local Good Grows

Hendricks County Community Foundation

I am so excited that we are announcing our new Community Calendar. This resource, which we've been discussing internally and with our fellow nonprofits, is intended to help our neighbors know what's going on in Hendricks County. Who is having a training and when? Who is having a fundraiser and where? We're hoping this will become the go-to resource for all kinds of community information!

This is another of the services that HCCF is providing as part of our Community Unity work. We're responding to a clearly expressed need in our community by stepping forward to create this resource. We think HCCF is uniquely positioned to be able to undertake something like this, and we're pleased that it's now live and available.

If you're part of a local organization, please jump on the calendar and get your key dates and events on it. The more information it holds, the better of a resource it will be for all our community. And if you're interested in learning more about our Community Unity work or how you can be involved with HCCF, [contact me today!](#)

A Board to Brag About

Shariq Siddiqui joined the HCCF Board of Directors in 2022 and serves on the Development Committee. Read what Shariq has to say in his own words about his service for the Community Foundation.

"I have long been impressed by HCCF's leadership in community philanthropy. I had always sought ways to make Hendricks County a better, inclusive and more equitable place and could think of no better organization to do this with than the Community Foundation. When they asked me to serve on the Board, I was thrilled."
