

Where Local Good Grows

Hendricks County Community Foundation

As we head into Thanksgiving week, I've been thinking a lot about gratitude – and in our house, that starts with the constants: Moose just turned one, which he's celebrating by proudly carrying around every shoe he can find and greeting each day like it might be his birthday again. Skye and Bonnie are grateful too, mostly because Moose occasionally naps now, giving them a little peace after twelve months of puppy enthusiasm.

This same mix of joy and steady progress feels a lot like our work at HCCF this season. **Thanks to supporters like you, 2025 has been one of our most impactful years ever – with more than \$2.2 million in grants strengthening families, nonprofits, and neighborhoods across Hendricks County.** Your generosity continues to make our community more connected and compassionate. See below for how this played out with the Women's Giving Circle and recent grants.

And speaking of generosity ... we're incredibly close to reaching a major milestone for our [Stronger Together](#) matching opportunity. I can't share the full update just yet, but let's just say we're in the home stretch – and I am deeply grateful for every person who has helped get us here.

Thank you for believing in this community. Thank you for trusting HCCF. And thank you for making Hendricks County stronger, kinder, and more hopeful every single day.

From all of us at HCCF – and from Moose, Skye, and Bonnie – we wish you and your family a warm and joyful Thanksgiving.

Yours in Philanthropy,
