

2025 Community Enhancement Grantmaking

Year to date, HCCF has awarded over \$81,000 in Community Enhancement Grants to support organizations all across Hendricks County. Our Community Enhancement Funds are flexible, or unrestricted, funds that allow HCCF to respond to the greatest needs and opportunities in our community. Grants are recommended by our all-volunteer Program Committee and staff as directed and approved by the HCCF Board of Directors. The grants come from our unrestricted Community Enhancement funds, including the Deedee Daniel Opportunity Fund, the Lincoln Federal Charitable Foundation Unrestricted Fund, the Directors Unrestricted Fund, and our 67 Family Legacy Funds.

Stronger Together

All our Community Enhancement Grants are funded through our Unrestricted endowment funds. These funds are the lifeblood of our mission, providing the flexibility to address the most pressing needs of our community. Gifts both large and small to these funds will create positive change for our community. And right now, your gifts will be multiplied through our “Stronger Together” campaign.

The “Stronger Together: Building a Better Community” campaign represents a unique opportunity. From now until December 31, 2025, through the Stronger Together Campaign, **you can quadruple your gift to a Family Legacy Fund**, or any Unrestricted fund! This campaign is backed by a \$3 million grant from Lilly Endowment and an additional match provided by an anonymous HCCF donor, providing a generous **\$3 to \$1 match for any gift to an unrestricted fund!**

Your contribution to the Stronger Together campaign is an investment in Hendricks County's resilience, unity, and lasting prosperity. We invite you to join us in this journey to create a stronger Hendricks County. To learn more, contact William Rhodehamel today at william@hendrickscountycf.org.
