

Where Local Good Grows

Hendricks County Community Foundation

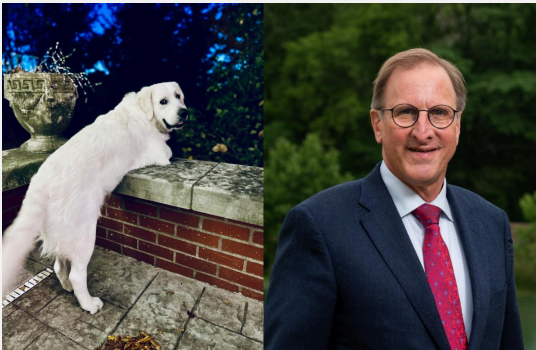

As we step into a new year, we're filled with gratitude for what our community accomplished together in 2025. We closed out the Stronger Together matching campaign, reached a new high in total grantmaking, and experienced incredible generosity from donors who believe deeply in Hendricks County and its future. It was a year that affirmed the power of philanthropy to strengthen lives, organizations, and communities.

That momentum is already carrying us forward. Our [2026 Community Impact grant cycle](#) is now open – made possible in part by a transformative \$3 million Lilly GIFT IX Community Support grant – and registrations are underway for this year's [Nonprofit Learning Series](#) as we continue to invest in nonprofit capacity and community solutions across the county. We're also proud to recognize the 200 members of the [2026 Women's Giving Circle](#) and to celebrate our newly announced 2026 [Lilly Endowment Community Scholars](#), whose achievements reflect the promise and potential growing right here at home.

Even Moose seems to sense the excitement. His tag hardly stops wagging as he greets each day with enthusiasm and a reminder that optimism – and a little joy – go a long way.

Thank you for being part of such a remarkable year and for helping us begin 2026 with purpose, momentum, and hope.

Yours in Philanthropy,
