The Hendricks County Community Foundation recently awarded a \$1030 grant to the Town of North Salem from the **North Salem Community Matching Grants fund**. This designated fund has provided grant money for significant community enhancements in North Salem, directly improving public spaces and services for residents.

The funding has enabled several key upgrades to the Town Park, including new picnic tables, updated electricity, new basketball nets and balls, fresh paint, new water lines, and new swings. These improvements directly benefit residents and contribute to a more vibrant community atmosphere.

In addition to the park enhancements, grant money was also used to help fund a new digital sign, a crucial tool for distributing timely Town information to the public.

"We are proud to see the direct results of the North Salem Community Matching Grants fund," said William Rhodehamel, President & CEO of the Hendricks County Community Foundation. "Our partnership with the Town of North Salem allows us to invest in projects that truly matter to the community and improve the quality of life for its residents. We look forward to continuing this important work together."
