

Where Local Good Grows

Hendricks County Community Foundation

Wow! Now this is what I call an Indiana winter! Freezing cold last week with wind, ice and snow, and now rain and fog and more rain this week. I know our dogs will be happy it's not so cold outside, but my wife and I are dreading the return of "mud season." Hopefully we'll be back into the deep freeze soon!

I teased some exciting news from the Hendricks County Community Foundation in my last message. Now I can share more: Our community is embarking on a transformative journey with the launch of the **Stronger Together** campaign. In the spirit of unity, generosity, and positive change, the Stronger Together campaign aims to strengthen the fabric of Hendricks County. We believe that by joining forces, we can create a lasting impact that will benefit our community for generations to come.

For a limited time, our Board of Directors has chosen to provide you with a 2-to-1 matching opportunity for all donations to any new or existing Family Legacy Fund or Community Enhancement Unrestricted Fund. **That's right – you can Triple Your Donations! When you donate \$1, we'll match it with \$2!**

This campaign is not just about fundraising; it's a movement that invites every member of our community to be a part of something greater. Whether you're a longtime supporter or new to the Hendricks County Community Foundation, your involvement in the Stronger Together campaign will help shape the future of our community.

Together, we can build a better Hendricks County. To learn more or get involved, [reach out](#) to me today!

Community Connections

HCCF is committed to building community unity and creating a welcoming community for all our residents. Every month we are spotlighting community leaders who help make Hendricks County a great place to live, work and play.

This month we are highlighting **Linda Runyon**, Development Coordinator for [Hendricks County Senior Services](#).

If you could be a superhero for a day, who would you be? Not being a superhero expert, I would have to say any who have the gift of invisibility. I could get a lot accomplished.

What book are you reading right now or have recently read? "Before We Were Yours" by Lisa Wingate

What is your favorite Hendricks County restaurant? I've got to give this one to my new favorite, the Bee Hive in Danville. Everything I have had there has been delicious. I go quite often. I may have a problem.

What is one need identified in HCCF's countywide assessment that we are addressing? How can we continue to improve?

There is definitely a shortage of affordable homes in Hendricks County. Young people are paying astronomical monthly rents. How can they ever afford to put money back to one day buy a home? There are several neighborhoods in the building phase so hopefully that will help with the issue.

Why do you do what you do ? I've always had a heart for helping seniors, which I attribute to my undying love and adoration of my grandmother. Seniors deserve our respect, after all, they built

this community! They should be able to live the lives they choose for as long as they can, and do it with dignity! They should be able to congregate with others and partake in activities that give them joy. They are also the owners of some of the greatest life stories ever told. So if there's one handy, take a seat with a Senior and LISTEN. You won't be sorry.
