

Where Local Good Grows

Hendricks County Community Foundation

I love fall! The crisp fall air always feels like a fresh start—both in nature and in our community. And just as the seasons change, so do the opportunities to make a difference through your giving and civic engagement.

This election season, HCCF has been actively promoting voter education by hosting Meet the Candidate forums and sponsoring the distribution of the [Voter's Guide](#) to every household in Hendricks County. Voting is one of the most impactful ways we can shape our community's future, and your voice matters.

At the same time, if you're looking to maximize the impact of your charitable giving, donating appreciated assets like stocks, bonds, or real estate could be a powerful option. Not only can you avoid capital gains taxes, but you also get a charitable deduction for the full value of your gift. And through HCCF's [Stronger Together campaign](#), your unrestricted gifts are matched \$2 to \$1—meaning your generosity goes even further in supporting the programs that make a difference, like our voter education efforts, ARPA grants, and the Hendricks County Women's Giving Circle.

This fall, let's work together to strengthen our community—both at the ballot box and through the legacy you leave with your giving. [Reach out to HCCF today](#) to learn more!

Your Vote Matters

As part of our commitment to encourage civic engagement, HCCF partnered with The Republican Newspaper to create the [General Election Voters Guide](#), which can help inform you as you head to the polls this election season. Check it out [here](#).

Early voting is going on now through November 4th. [Click here](#) for locations.

Voting is a fundamental civic duty for us all to help ensure a healthy and functioning democracy. Vote and let your voice be heard!

My HCCF Story

We hope you have had a chance to listen to our video series "[My Family Legacy Story](#)," which highlights the families in our community who have established a Family Legacy Fund at HCCF!

The Community Foundation is home to 67 Family Legacy Funds, each founded by a local family dedicated to making a lasting positive impact. One of these generous and caring families is Max & Jill Poynter. The Poynters have seen first hand the important work HCCF has done in the community through unrestricted funds and they started a Family Legacy Fund at HCCF to grow that work.

Listen to their inspiring story!

Community Connections

HCCF is committed to building community unity and creating a welcoming community for all our residents. Every month we are spotlighting community leaders who help make Hendricks County a great place to live, work and play.

This month we are highlighting **Mary Zigler**, Vice President, Commercial Lending at Citizens Bank.

What is your favorite movie?

My Sister's Keeper.

What book are you reading right now or have recently read?What You Do is Who You Are by Ben Horowitz.

If you could have dinner with someone from the past, who would it be? My Dad

What is a piece of advice you would give your younger self?Don't be in such a hurry to grow up.

What is one need identified in HCCF's countywide assessment that we are addressing? How can we continue to improve? The limited art and culture options has been an ongoing problem but has greatly improved with the opening of Hendricks Live! There are also more summer music events at parks and the annual International Festival. I would love to see more public art throughout Hendricks County (sculptures, murals, etc).

Why do you do what you do ? I love my job because no two days are ever the same. I get to help people achieve their goals and expand their businesses. Being a small part of their success brings me joy.
