

Moonshot Microgrants

Hendricks County Community Foundation

Request Information

This program is not the same as our other grant programs at HCCF. These grants are meant to be exciting and enjoyable, which the application is meant to reflect. It is designed to be short and easy to complete.

Request Title*

Give your request a short, descriptive title. There is no need for a creative or branded title. Simply provide a concise summary of the project, program, or initiative being funded. Examples include: *Development Plan Creation and Implementation; Early Literacy Programming; After-School Programming in Hendricks County.*

Character Limit: 100

Request Summary*

This is a brief description of your request. Describe the project/program for which funds are being requested. How will this program serve Hendricks County? Why should the Community Foundation fund this project?

Character Limit: 250

Type of Program*

Project/Program Funding: Support for specific programs, projects, or initiatives that meet the Moonshot Microgrants requirements (Community Engagement and Theme Alignment).

Approved Program: Approved program status means your space-themed project or program would be deemed an official moonshot community program without receiving additional funding from the Community Foundation.
